

The Hayling Island Community Food Pantry welcomes donations in advance to make sure that they are fully stocked before Christmas.

Add one item to a box or bag each day during November.

By early December you'll have a **collection of items** that can be donated to our local food pantry.

11th December: Bring your donations to NEHRA's Carols in the Village at North Hayling Recreation Hall at 7pm.

Or drop us an email and we can collect it from you.

Donations will be delivered to the Food Pantry before Christmas.
